

Our wine list is expanding and ever changing, offering carefully chosen bottles that encompass the world's principal grape varieties and wine regions.

The Northern Hemisphere selection is the strongest, with the USA and classic European regions predominating, especially France and Italy.

Our fine and rare wine list continues to evolve, and you will find an ever-growing selection of stellar names, especially from France, as well as a depth of vintages. On page 22 and 40, you will discover our unique and extensive selection of Californian wines, including some outstanding producers like Ridge, Mayacamas and Kongsgaard.

Furthermore, there is an extensive choice of Burgundies, second growth Bordeaux, and sophisticated Italian reds, including Super-Tuscans and a rare selection of Nebbiolos.

We are proud of our selection of white wines, some especially chosen to match grilled meats, ranging from classic Burgundies, Italy, and California.

The Champagne and sparkling category is also growing, and we are excited to introduce our new House Champagne from the small boutique estate of Thiénot. Family owned and run, their wines are created with passion, care and a contemporary perspective which shines through in their outstanding quality. More than half of the grapes are sourced from their own vineyard holdings in Premier and Grand Cru sites located on the historic hillsides of Champagne, resulting in wines that are elegant and complex.

The New World section of the list is dynamic, showcasing well-known as well as under-the-radar and next-generation winemakers from Australia and beyond.

Our by-the-glass selection is noteworthy, including fine wines rarely available by the glass, with perfect condition, ensured by Coravin.

Finally, we would like to point you to our Large and Small Format category on page 45-47, perfect for larger parties, or smaller tables wishing to experiment.
