Balham

Perfectly placed on Bedford Hill, and just a short hop away from Tooting Bec and Wandsworth Common, our Balham Brasserie has become a mainstay for local residents.

Camden

Our OG burger-flipper, Haché Burgers Camden, has been serving up London's best burgers in the heart of famous Camden Town since 2004.

The site was a favourite of the late, great Amy Winehouse, who was partial to a Steak Canadien, and you can find little touches in homage to her throughout, from our lyrical neon sign, to an Amy-inspired graffiti mural, to a plaque in place at her favourite table.

Boasting our kookiest decor, with House of Hackney floral walls and a raft of faux foliage, this is a funky little space to host your event, and to introduce your crowd to our award-winning burgers!

FULL HIRE 56 guests seated
