It combines a wonderful stylish location and interiors, accomplished cooking, and delivering exceptional dishes with fantastic hospitality and service. Such a great restaurant, loved by so many, is so deserving to be our AA Restaurant of the Year for London.”

The background features a rich, textured pattern in shades of red and gold. Five ornate, hanging lanterns are arranged in a loose, staggered pattern across the frame. Each lantern has a glass globe and a metal frame, and they are all illuminated, casting a warm, golden glow. The overall aesthetic is classic and elegant.
